Affording a Torah Day School Education

At Torah Day School, we seek to enroll and provide need-based financial aid to qualified students. We are proud of our record of Tuition Assistance, **with over \$800,000 dollars awarded** to families last year. Financial Aid is available for families who qualify according to the guidelines and policies set forth by the Admissions Director and approved by the Financial Aid Committee. All information submitted to the committee is kept strictly confidential.

Financial Aid is a privilege we offer to our students based on certain requirements. Torah Day School receives no special subsidy or stipend from outside sources to enable this Scholarship. All amounts granted towards financial aid are simply fewer funds that Torah Day School receives in tuition, and this has an immense impact upon the operation of the school.

Financial Aid is rewarded by an anonymous Financial Aid Committee. Documents are collected by the Torah Day School Office and forwarded to the committee only once the file is complete (please see documents needed below).

Please note that any Financial Aid awarded only applies to tuition as a deferred tuition balance. There is no assistance available for Registration, student fees or hot lunches. **Any family that is awarded financial aid will also be obligated to fulfill a certain number of volunteer hours throughout the year. Please read the attached letter regarding eDollars and how you can fulfill your volunteer hours.**

Please send in the following forms to the admissions office to be considered for Financial Aid. **Forms must be placed in a sealed envelope and given to the school office or mailed in to**
